ACURIL 2019 ARUBA

Be part of a most Exciting Learning Experience

Dear ACURILEANS and Friends of ACURIL,

It is with great pleasure that we, on behalf of ACURIL President, Mrs. Monique Alberts, and the Aruba Local Organizing Committee, extend a most cordial invitation to participate in the 2019 ACURIL Conference, to be held from June 2-6, at the Renaissance Convention Center, in [Oranjestad, Aruba](#).

The [Biblioteca Nacional Aruba](#) and the Ministry of Education, Science and Sustainable Development of Aruba are organizing this Caribbean event. The conference will be devoted to the theme *Access and Opportunities for All: Caribbean Libraries, Archives and Museums supporting the United Nations Sustainable Development Goals*. Information regarding the conference presentations can be found in the following link <https://www.smore.com/c1ds6-acuril-2019-aruba-presentations>

The program will present Keynote speakers and other professionals who will focus on the major theme and subthemes. The program also includes the Special interest and Content area groups, workshops, a Caribbean Research Posters Gallery, the Exhibitors Pavilion and visits to libraries, museums and archives.

The event is an excellent opportunity for continuing education in the field, to share knowledge and experiences regarding the best practices and the alternatives with other colleagues, in order to provide access to information for all; to familiarize with new trends in our endeavor interacting with providers of information products and services; to increase opportunities to strengthen our networking and communities of practice.

The cultural and social activities will also serve as a magnificent opportunity to share the rich and diverse experiences of the Aruban and Caribbean communities.

The Participants Conference Registration form can be found [HERE](#). The Renaissance Aruba Resort & Casino hotel registration form can be accessed through [Book your group rate for ACURIL Conference for Caribbean Information Professionals Jun2019](#) .

The online Early Bird registration ends April 30, 2019. To receive a personalized invitation, kindly request it through acuril2019.loc@gmail.com.
